

**GREAT VALUE WITH  
QUALITY CONSTRUCTION**

## ABOUT US

**We are the home makers**

We are in business since 1994

Since inception, Priyal group has constructed over half a million sq.ft of residential spaces and gained over 500 customers. We have an impeccable reputation of dependability and trust. Our secret to excellence is our people. We are associated with leading architects and designers who shape your dreams and our ideas into homes.

## EXPERT OPINION MATTERS

An established team comprising some of the best minds in the business – astute planners, thoughtful architects, flamboyant designers, accurate accountants and other professionals who help us address apprehensions, queries or concerns you may have.

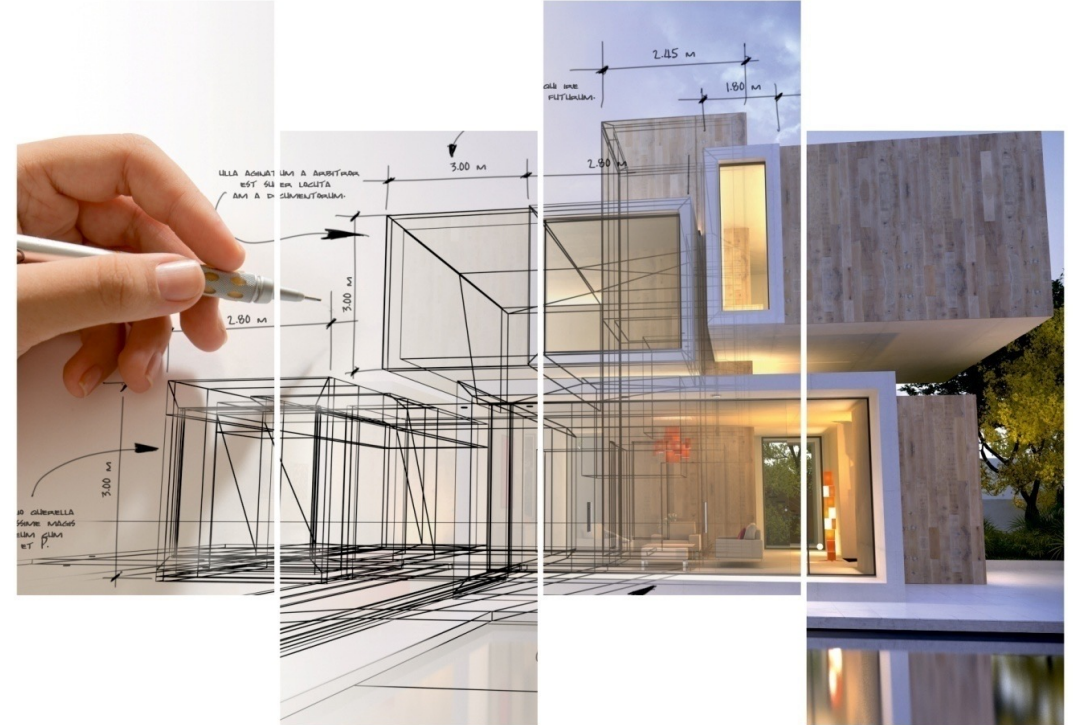

# SINGLE MINDED DEVOTION TOWARDS OUR GOAL

## MISSION

**Renew, Rebuild and Reset** untapped territory in the near future, leaving no stone unturned and no opportunity unexplored.

## VISION

We are committed to the 3 R's - Renew, Rebuild and Reset. As long as there's a desire to be great, we shall strive to make that vision greater. We envision homes that raise your standard of living and talk with tomorrow.

**Jayesh Gandhi**  
**B.E. Civil**  
**FOUNDER / DIRECTOR**

- Jayesh Gandhi is the driving force behind Priyal Group of Companies. As the Founder / Director, he is the extraordinary visionary behind several successful ventures floated under Priyal Group of Companies.
- His keen business acumen and long-term experience of over two decades has entitled him to be the key spokesperson and representative of the builder's lobby.
- He has also held several respectable positions in the real estate industry in the past which includes Secretary, MCHI-Raigad.

**Late Purvi Somaya**  
**G.D Arch**  
**DIRECTOR**

- Purvi Somaya was the pillar of strength for Priyal Group of Companies.
- Armed with an enriching experience and expertise spanning over two and a half decade, she flawlessly took ownership of the lifecycle of every project – from evaluation to execution.
- She was the cornerstone for executing complex projects successfully.
